**Line 6.** Enter only one tax form number (1040, 1065, 1120, etc.) per request for all line 6 transcripts request types.

**Line 6a.** Return Transcript includes most of the line items of a tax return as filed with the IRS. A tax return transcript does not reflect changes made to the account after the return is processed. Transcripts are only available for the following returns: Form 1040 series, Form 1065, Form 1120-H, Form 1120-L, and Form 1120-S. Return transcripts are available for the current year and returns processed during the prior 3 processing years.

**Line 6b.** Account Transcript contains information on the financial status of the account, such as payments made on the account, penalty assessments, and adjustments made by you or the IRS after the return was filed. Return information is limited to items such as tax liability and estimated tax payments. Account transcripts are available for most returns.

**Line 6c.** Record of Account provides the most detailed information as it is a combination of the Return Transcript and the Account Transcript. Available for current year and 3 prior tax years.

Line 7. The IRS can provide a transcript that includes data from these information returns: Form W-2, Form 1099 series, Form 1098 series, or Form 5498 series transcript. Enter up to three information return types. If no specific type is requested, all forms will be provided. State or local information is not included with the Form W-2 information. The IRS may be able to provide this transcript information for up to 10 years. Information for the current year is generally not available until the year after it is filed with the IRS. For example, Form W-2 information for 2016, filed in 2017, will likely not be available from the IRS until 2018. If you need Form W-2 information for retirement purposes, you should contact the Social Security Administration at 1-800-772-1213.

Line 8. Enter the end date of the tax year or period requested in mm dd yyyy format. This may be a calendar year, fiscal year or quarter. Enter each quarter requested for quarterly returns. Example: Enter 12 31 2018 for a calendar year 2018 Form 1040 transcript.

You must check the box in the signature area to acknowledge you have the authority to sign and request the information. The form will not be processed if unchecked.

Signature and date. Form 4506-C must be signed and dated by the taxpayer listed on line 1a and, if listed, 2a. The IRS must receive Form 4506-C within 120 days of the date signed by the taxpayer or it will be rejected. Ensure that all applicable lines, including lines 5a through 8, are completed before signing.

Authorized Representative: A representative can sign Form 4506-C for a taxpayer if the taxpayer has specifically delegated this authority to the representative on Form 2848, line 5a, and Form 2848 is attached to the Form 4506-C request. If you are Heir at Law, Next of Kin, or Beneficiary, you must be able to establish a material interest in the estate or trust. If Form 4506-C is signed by a representative, the Authorized Representative check box must be marked.

**Electronic Signature**: Only IVES participants that opt in to the Electronic Signature usage can accept electronic signatures. Contact the IVES participant for approval and guidance for electronic signatures. If the Form 4506-C is signed electronically, the Electronic Signature check box must be marked

**Individuals.** Transcripts listed on line 6 may be furnished to either spouse if jointly filed. Signatures are required for all taxpayers listed on Line 1a and 2a.

Corporations. Generally, Form 4506-C can be signed by:

(1) an officer having legal authority to bind the corporation, (2) any person designated by the board of directors or other governing body, or (3) any officer or employee on written request by any principal officer and attested to by the secretary or other officer. A bona fide shareholder of record owning 1 percent or more of the outstanding stock of the corporation may submit a Form 4506-C but must provide documentation to support the requester's right to receive the information.

**Partnerships**. Generally, Form 4506-C can be signed by any person who was a member of the partnership during any part of the tax period requested on line 8.

**All others**. See section 6103(e) if the taxpayer has died, is insolvent, is a dissolved corporation, or if a trustee, guardian, executor, receiver, or administrator is acting for the taxpayer.
